### 1. Individual Reservations

Each **individual reservation** within room blocks must be made online via the AM18 Hotels Website that will be provided.

ALL individual reservations must be made by **COB Monday, September 10, 2018**. **Any rooms within the block that have not been confirmed with participant and credit card information will be released at that time.** Thereafter, reservations will be accepted as requested based on remaining hotel room availability and prices may vary.

All reservations will be made on a guaranteed-arrival basis and only for the exact dates requested. Any changes to reservations (to arrive earlier or depart later) after a hotel confirmation has been received will need to be requested from the hotel and will be subject to hotel availability. Therefore, changes to reservations may not be immediately confirmed.

#### Credit Cards

As in the past, **all participants will be required to provide credit card information to guarantee hotel reservations.** All charges levied by hotels for no-shows, date changes and/or late cancellations **will be charged to the credit card used to guarantee the reservation.** Please note that submitting an invalid credit card may cause reservation(s) to be cancelled by the hotel.

#### Cancellations/Penalties

To avoid penalty charges, all cancellations and/or changes to reservations should be made online **by Monday, September 10, 2018, 17:00 Washington D.C. time (EST).**

**The following penalties will be charged to the participant's credit card if these policies are violated:**

- Cancellations** received after September 10, 2018, 17:00 Washington D.C. time (EST) will result in a 3 nights room and tax penalty charge.
- Failure to check-in to the hotel on the scheduled arrival date (**No-show**) will result in a 3 nights room and tax penalty charge and **a forfeiture of the reservation.**
- A reinstated No-show (if participant checked into hotel on later date) will result in a 1 night room and tax penalty charge.
- Reservations require a 3 night minimum stay (nights must be consecutive). If your stay does not meet the 3 night minimum, you will be charged for 3 nights.
- Once a guest checks in, early departure or reduction of room nights is not permitted. The full stay will be charged.

## 2. Check-In/Check-Out

Upon arrival at the hotel, **please reconfirm your departure date and check-out time** with the front desk to avoid any additional charges or penalties.

**Check-In time for Bali hotels is 3:00 PM.** Participants who expect to arrive before this time and who wish to have immediate access to their rooms must make their reservations effective *from the night before their date of arrival with a notation of expected arrival time*. **For any arrival before 3:00 PM, the hotel may charge an additional fee for early check-in.**

**Check-Out time for Bali hotels starts at 11:00 AM and may vary. Please confirm with the front desk upon arrival.** To request a guaranteed late check-out, participants must indicate their departure *as the day after their anticipated check-out date*. Any departures after the official check-out time of the hotel will be subject to **an additional fee for late check-out according to each hotel's policy**. Participants should verify this information with the hotel front desk at the time of their check-in or during their stay.
